

## About Metro Valley Transportation

Metro Valley Transportation is Intensive Treatment Systems (ITS) transportation provider. Metro Valley has 6 vehicles with daily routes to all five ITS clinics during each clinic's business hours. Each vehicle can take up to 14 passengers on a single route.

## Who are we?

Intensive Treatment Systems (ITS) primary objective is to assist patients to free themselves from substance use issues, with medication management, counseling and integrated care services. Ultimately through the use of supportive services, it is our goal to guide patients toward a life free of drugs and alcohol with improved personal and vocational functioning.

## How we do it?

ITS offers an innovative approach to Medication Assisted Treatment (MAT), for Opioid Use Disorder and/or Alcohol Use Disorder. By providing fully integrated care options - 24 hours a day; individualized to treat any drug and/or alcohol addiction, it allows us to work alongside our patients to maximize their chances for success.
